So who is Cyndie?

I am a girl, a woman, a mother, a wife, a mentor, a mystic, a healer, a creator, a writer and a devout believer in the Divine, magic and miracles.

I've been called Glenda the Good Witch and Cinderella, perhaps because I do believe in both magic and happily ever after.

At the core of my heart and soul, I am the goddess embodied, heaven-bent on elevating this world by illuminating it with goodness and light.

I love to laugh and bring out the light in everyone and everything. Transformation, ascension and destiny are some of the ways I weave my *own* superpowers to help women rise.

To help YOU rise.

I look forward to meeting you and supporting you in waking up to the power, magic and miracles that live inside of you. If you know you are here for a reason, let's find out what it is!

It is my calling, my honor and my pleasure to serve you.

Transcend “not good enough”; embody You.

The question “am I good enough?” can rob even the most brilliant women of their power. This question in and of itself isn’t really a question, but the matrix of all self-doubt.

Wondering if you’re good enough is a debilitating trap that creates a painful hole in your heart and keeps you stuck inside a very limited reality — that’s why I created the Feminine Shift.

The Feminine Shift is a transcendent solution that:

- forever heals the pain in your heart
- transports you to a new reality with a liberating shift from fixing your flaws
- helps you discover and master what is uniquely powerful, invaluable and magnificent about you.

Embrace your Feminine, and free yourself from the shackles of “not good enough”, right now.
